

The image shows a screenshot of the Microsoft Visual Studio Debug Console window. The window has a title bar with the text "Microsoft Visual Studio Debug Console" and standard window control buttons (minimize, maximize, close). The main area is a black console with white text. The text displayed is as follows:

```
This part is the beginning. This part is the end.  
Footnote: <This part is the footnote.>  
  
C:\Users\J.McGhee\source\repos\BaseProject\Debug\BaseProject.exe (process 8640)  
exited with code 0.  
Press any key to close this window . . .
```

The console text is left-aligned. There is a vertical scrollbar on the right side of the console area, and a small icon (a list or menu) is visible on the right edge of the console window.
